We Are Growing and **HELP** is Needed to Sustain the Growth. 42 of the 102 Baptisms Came About on the Campus of JCVBS.

To Grow the Lord's Kingdom takes a lot of work by a lot of people. And to sustain that growth takes a lot of work from even more people. The various Scholarships put a dollar figure associated with the various elements for a student to learn a vocational skill.

But there is no such Scholarship figure for the worth of one soul. JCVBS is responsible for 40% of the 105 students currently attending classes obeying the Gospel – and we have 3 months left for more to be taught.

We must sustain this growth. We hope you will join us in making it happen by donating online or by mail.
